To whom it may concern,

I'm pleased to recommend Henriette Volschenk, who has worked with me as a manufacturer since April 1st, 2025. As head manufacturer, I've seen firsthand how Henriette's outgoing personality, strong work ethic, and excellent teamwork skills make her stand out.

She connects easily with others, brings positivity into every environment, and consistently supports her colleagues with kindness and patience. Though she worked in a manufacturing role, her natural communication skills and ability to engage with people make her well-suited for a career in teaching.

Henriette will bring energy, compassion, and dedication to any classroom, and I have no doubt she'll be a wonderful teacher.

Sincerely,

Michaela Nell
